

NEWS

Latest news and information about our school

Dear families,

Our Year 4 cricket squad shone at the E1 Cricket Festival this week; Ms Georgia and Ms Shuma were proudly telling me so many stories and I was brilliant seeing the children with their medals at the end of the day. A big shout out to Maryam and Aryan who were awarded Star Player Awards and Arib who achieved the Overall Best Fielder Award across the whole tournament! Our Eco Warriors attended their first Growing Wild for Nature project day all the way down near Ashford in Kent yesterday.

Our amazing children, along with other schools, spent the day engaged in lots of different activities and discussing where they are going to grow their new cucumber plant back in school! The project aims to foster a sense of environmental stewardship by adapting ordinary spaces into thriving, biodiverse ecosystems- and we are going to start this with our first cucumber plant! I was told by several adults how absolutely delightful our children were throughout the day- super proud Ms Anita for sure!

Our Eco Warriors:

- Dawoud (Year 2)
- Husayn (Year 2)
- Alan (Year 3)
- Harun (Year 3)
- Safiyyah (Year 3)
- Umaiza (Year 3)
- Saarah (Year 3)
- Maryam (Year 4)
- Musa (Year 5)
- Nour (Year 5)
- Alayna (Year 3)

**Have a lovely weekend everyone and take care in the sun,
Best wishes, Ms Anita**

Mozart's Visit to Stepney City Farm

OUR FANTASTIC FRIDAY ASSEMBLY

Salman (Year 1) - Ms Brenna and Ms Sunzidah are very proud of Salman's focus in English

Isa (Year 3) - Ms Syeda has noticed a growth in Isa's confidence as he puts his hand up more often in class to share ideas.

Everyone in Reception for consistent wonderful behaviour.

Azmina (Year 3) - Ms Syeda is so impressed with Azmina's efforts with her Phonics sounds.

Manha (Year 2) - Ms Sarah has noticed that Manha has been using her voice more to express herself and share her opinions.

Aslan (Year 2) - Ms Helen is very impressed with how confidently Aslan asks questions and communicates his opinions to Ms Anita.

Mohammad (Year 2) - Ms Sarah loves your curiosity and mentioned how much you have learnt through asking brilliant questions leading to forming brilliant connections across subjects.

Arib, Maryam, Aryan (Year 4) - For being recognised by external cricket coaches on year 4's recent trip for fantastic resilience and determination.

Tanzila (Year 5) - Mr Peter is very impressed with the progress that Tanzila has made with her handwriting due to her efforts.

Saja and Ibrahim (Year 4) - Ms Georgia noted how Saja and Ibrahim were fantastic MCB ambassadors on the year 4 Science museum trip - treating the staff with respect.

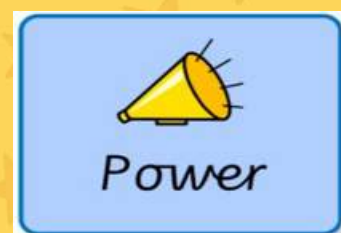

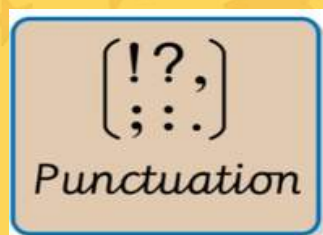

Iqra and Maryam (Year 6) - Your peers have noticed that Iqra has been singing wonderfully in production rehearsals and Maryam learnt her lines so fast!

Adyan (Year 5) - Mr Peter is amazed with how many timetables Adyan has learnt!

Everyone in Mozart class for wonderful listening during the trip to the farm.

How many animals can you see in this picture?

I wonder why...

RECEPTION

It's been another exciting week in reception. This week we received a special box delivery through the post. We had many guesses of what might be in the box

'I think it's a spider.' Atifa

We received **live caterpillars**. The children will be learning about the **life cycle of a butterfly**.

They will observe how the caterpillars change over the weeks.

'The caterpillar is tiny and has spikes.' Adam

'It is black and small.' Abdullah

In maths, the children are learning about **sharing and grouping**. The children loved playing teddy bears birthday party where they had to **share lollipops and biscuits**.

'It has to be the same.' Anaya

'It needs to be fair.' Sara

MOZART HUB

It has been an amazing week in the Mozart classroom. A highlight of our week was taking our learning beyond the classroom...we visited Stepney City farm. We petted and fed grass pellets to a variety of animals, and noted some were big, small and had varying features. Yahya loved stroking the goats ears and gave the goat a very big hug. Ishaq cuddled the bunnies. After we had a lovely time in the farm, we went to the park and had our lunch. We had an amazing time!

NURSERY

We have had a lovely week in Nursery, full of learning, creativity and fun.

Our focus story has been **Billy's Bucket**, and the children enjoyed **using their imaginations** to think about what magical creatures and treasures they might find in their own buckets.

In Maths, we have been learning about **numbers to 5** and practising **identifying what number comes before through songs, games and practical activities**.

The children were excited to welcome caterpillars to our classroom and helped **prepare their homes by filling the pots with food**. We look forward to watching them grow and learning about their life cycle.

We have also been learning about sun safety, including drinking plenty of water, wearing light clothing, applying sun cream and finding shade when needed.

YEAR 1

This week in year 1, we continued reading our class story, Traction Man and wrote character descriptions together. In DT, we had a go at making Traction Man out of recycled materials- cardboard boxes, bottles and packing peanuts. In Maths, we showed great resilience as we practiced our place value using the 'ten and ones' method and used dienes. We also challenged ourselves to use the 100 square and count backwards. Yunus proudly told us, "I really like counting, especially backwards, and getting faster at counting backwards now!"

We are counting down the days until our class zoo trip on 2.7.26- we are please that many families will be joining us.

YEAR 3

This week, Year 3 enjoyed their final cooking session with the Country Trust, celebrating all they have learnt with a wonderful **Harvest Feast**. The children worked brilliantly together to prepare a delicious meal, practising key cooking skills such as safely chopping vegetables, mixing ingredients and preparing fresh food.

Aaliyah really enjoyed chopping the vegetables and shared that her favourite part was stirring all the ingredients together and eating the black olives!

The children also prepared a **delicious fresh fruit dessert**, carefully chopping a range of fruits before combining them into a colourful fruit salad.

It was fantastic to see everyone trying new foods, working as a team and showing confidence. The Harvest Feast was a lovely opportunity for the children to sit together and enjoy the meal they had prepared, celebrating all of their hard work throughout the Country Trust programme.

YEAR 4

This week, Year 4 took part in a **cricket festival** with other schools in the **E1 Schools Partnership**. We spent all day at **Weavers Fields**, doing a selection of warm up activities before lunch, and versed other schools in the afternoon. The cricket coaches were keeping their eyes peeled for children who showed the heart of cricket- **respect, sportsmanship and teamwork**. Out of all of the 7 Y4 classes from different schools in attendance, **Arib was recognised and awarded as a Cricket Star!** Within our class, **Aryan and Maryam also received recognition awards** for key moments during the competition games, and all of year 4 were awarded with medals of participation. What a fantastic day!

YEAR 2

The class have been showing off their skills in their **spelling and reading assessments** this week. They have needed to sustain concentration and work independently on all their papers, in order to « show what they know »! Ask your child how it went for them, we'll have more math and reading assessments next week. Has your child shared this week's **Fluency Factory reading** with you?

It takes them back to **The Great Fire of London**, a theme we explored in the autumn term, and which we ALL enjoyed. Azeem declared he « learned so much about old London, especially when we visited the London Archive ». We shall be revisiting topics from across the year for the rest of this term, so have a chat with your child and find out what their highlights and favourite memories include - it may well surprise you!

YEAR 5

It's been another fantastic week in Year 5, with the children continuing to work hard and show great enthusiasm in all areas of their learning.

Your child should have brought home their login details for **Reading Plus**. We would greatly appreciate your support in encouraging them to use the programme regularly at home, as it helps to build reading fluency and comprehension. It is an excellent way to keep these important skills sharp over the summer holidays, helping children feel confident and well-prepared for the transition to Year 6. Aysha set herself a target to do 15 minutes on Reading Plus every day.

As part of our **Young Readers programme**, we are also excited to be attending a conference alongside other schools on Thursday 8th July. This will be a wonderful opportunity for the children to celebrate reading and engage with a wider community of young readers.

YEAR 6

The Final Countdown!

We have officially begun the final countdown to the end of our primary school journey! It is a very exciting time as we prepare for our next adventure.

We have chosen our **end-of-year performance, Let the Games Begin!** and are busy getting ready for our final assemblies while collecting special memories from our time at school. We are looking forward to celebrating all that we have achieved and spending time together as a year group before moving on to secondary school.

This week, we have been designing and **creating invitations for our end-of-year performance**. As Landon reminded us "our invitations must include a date, time, venue and who is invited". We can't wait to share our hard work with you!

Wednesday 17th June

NATIONAL THANK A TEACHER DAY!

Our teachers and support staff work hard every day to help us learn, grow and shine!

National Thank A Teacher day is one way to recognise this...

While National Thank a Teacher Day was officially celebrated on Wednesday 17 March, every day is an opportunity to show appreciation.

Please do continue to complete the short form if you would like to recognise a member of staff. We love reading your kind messages, and they mean a great deal to our teachers and support staff.

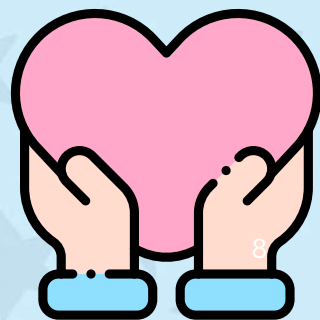

It would be amazing if as many families as possible take a moment to complete the form below- a single kind word or message puts a h-u-g-e smile on on our staff members faces.

SUMMER CONCERT

A celebration of song!

WEDNESDAY

24 JUNE 2026

2PM

Parents and Carers
warmly invited

IN OUR

BOTTOM HALL

Upcoming Art Exhibition at The Town Hall

CELEBRATE LOCAL
young ARTISTS!

E1 ART EXHIBITION
29TH JUNE – 3RD JULY
TOWN HALL

We are delighted to share that Mulberry Canon Barnett has artwork featured in this year's E1 Art Exhibition! Come and explore a wonderful display of creativity from talented young artists across the local area, including pieces created by our very own children. The exhibition showcases a diverse range of artwork and celebrates the imagination, skill and artistic achievements of children from schools across the borough.

Families are warmly invited to visit the exhibition and support our young artists.

We hope many of our families will take the opportunity to visit and enjoy this special community exhibition.
Everyone is welcome!

See you there!

A reminder that our Summer
Fayre is on 1st of July at
2pm!

A vibrant poster for a school summer fayre. At the top, a string of colorful triangular bunting hangs across the frame. To the left, three balloons in pink, yellow, and blue are tied together. To the right, a cheerful sun with a face and rays is depicted. The background is a solid yellow color with a pattern of small, light-yellow stars. The main text is centered and reads: 'CALLING ALL PARENTS! WOULD YOU LIKE TO HOST A STALL AT OUR SCHOOL SUMMER FAYRE?'. The word 'PARENTS!' is in large, multi-colored letters. Below this, a dashed-line box contains three categories of stalls: 'A CRAFT?' (with an illustration of paintbrushes, a jar of paint, and a ball of yarn), 'A FOOD STALL?' (with an illustration of a cupcake and a coffee cup), and 'SOMETHING ELSE?' (with an illustration of a potted plant, a teddy bear, and a mug). Below the dashed box, the date and time are given: 'WEDNESDAY 1ST JULY' next to a calendar icon, and '2-4.30PM' next to a clock icon. A large blue arrow points from the right towards the time. At the bottom, a pink banner states 'STALL PITCHES ARE AVAILABLE FOR A SMALL DONATION OF £10'. Below this, a blue banner says 'TO BOOK OR FOR MORE INFORMATION COME AND SEE MRS CLARE IN THE NURSERY'. The poster is decorated with small flowers at the bottom corners.
