

NEWS

Dear families,

Latest news and information about our school

What a week it has been! One of the absolute highlights has been celebrating our EYFS and Year 6 Graduations. I felt incredibly proud watching the children celebrate their achievements and take centre stage.

Seeing Reception children proudly wearing their handmade mortar boards, waiting excitedly for their names to be called, was wonderful. Our Year 6 Graduation was equally special and very emotional (with a few tears shed!). Watching the children in their gowns and mortar boards, reflecting on their primary school journey, was a truly special moment. We celebrated not only their achievements, but also the friendships they have built and the amazing young people they have become.

As I shared with Year 6, being respectful, responsible and ready to learn are more than just school expectations – they are values that help shape who we become. Alongside these, our motto reminds us: “We try our best, be kind and look after each other.” I hope our Year 6 children carry these values with them as they move on to secondary school. They are truly special young people, and I know they will continue to achieve amazing things. A huge thank you to Ms Salma, Ms Mireia, all staff and families who worked so hard behind the scenes to create such beautiful graduation celebrations. The hall looked incredible, and the celebrations were made even more special by everyone’s efforts.

Alongside our graduations, children across the school enjoyed many more wonderful experiences this week. Years 2, 3, 4 and 5 took part in a fantastic Reading Immersion Day at Broadgate with the National Literacy Trust, bringing books, imagination and storytelling to life, while Year 3 enjoyed a brilliant farm adventure.

Our commitment to developing children as leaders was celebrated this week, with our Year 5 girls, future Mulberry Junior Global Girl Leading founders, meeting the Lady Mayor and hearing her inspirational words. Layla and Arissa proudly presented her with flowers, and Yusra was invited to wear her chain of office!

It was also wonderful to hear from Ms Rukshana all about her son, Miraj, a former pupil of Canon Barnett and Mulberry Stepney Green, who recently graduated from the University of Cambridge with an incredible Engineering degree – a wonderful reminder of the power of education.

Finally, I am delighted to share our Ofsted report from our recent inspection. It celebrates what we see every day: that our children are at the heart of a thriving, ambitious and caring school community.

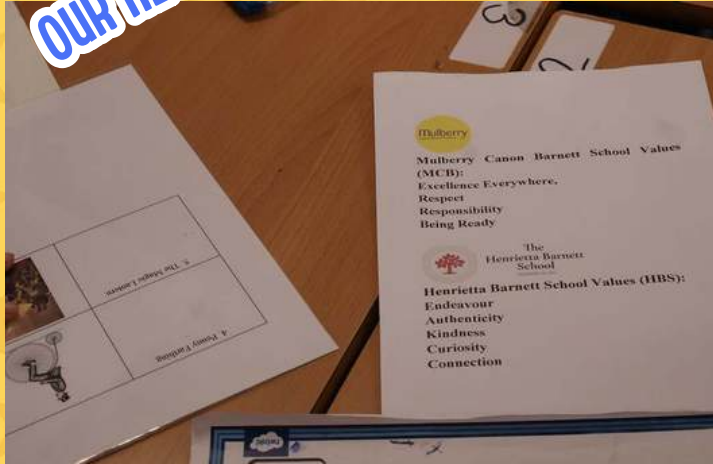

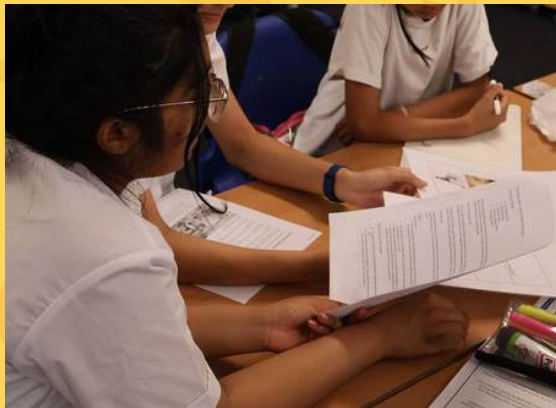

Thank you, as always, for your continued support. Have a wonderful weekend, and I look forward to seeing everyone next week for our final week of the academic

**Best wishes,
Ms Anita**

OUR NEWLY FORMED PARTNERSHIP WITH HENRIETTA BARNETT GIRLS' SCHOOL

We are delighted to have established a very special partnership with The Henrietta Barnett School. This partnership holds a particularly meaningful connection for us, as our school is named after Samuel Barnett, while Henrietta Barnett School honours his wife, Dame Henrietta Barnett. Together, Samuel and Henrietta dedicated their lives to improving opportunities for children and communities, making this partnership a wonderful celebration of their shared values and vision.

We were delighted to welcome students from Henrietta Barnett School who enjoyed an afternoon of learning together with year 5. This is the beginning of an exciting journey, and we look forward to working together, sharing experiences and creating lots more opportunities for our children. We are incredibly excited about the possibilities ahead and the special connection that will continue to grow between our two schools.

RECEPTION

It has been a busy and exciting week in Reception! The children **celebrated their Graduation**, and it was wonderful to see how much they have grown since Nursery and to reflect on all of their achievements throughout the Early Years. We are incredibly proud of everything they have accomplished.

The children also took part in **Sports Day** and had so much fun participating in the different games and activities. It was fantastic to see their enthusiasm, teamwork, and determination.

A huge thank you to all our parents and carers for your continued support throughout the year. We wish all of our Reception children the very best as they begin their exciting journey into Year 1!

MOZART HUB

It has been a fantastic week in Mozart Class! As we looked forward to Sports Day, the children enjoyed **reading a story** inspired by the excitement of the event before **exploring a range of sporting activities and learning the rules of different games**. Dawud particularly enjoyed the long jump, while Ishaq's favourite activity was the bean bag throw. It was wonderful to see the children **developing their confidence, teamwork and enthusiasm through sport**. Although Sports Day had to be postponed due to the hot weather, we thoroughly enjoyed all the preparations and excitement leading up to the big day.

NURSERY

This week, the Nursery children have been super busy! On Wednesday, we held our **Early Years Sports Day**. Everyone worked incredibly hard, showed fantastic determination, and it was wonderful to see such **excellent teamwork and encouragement throughout the event**. A *huge congratulations to the Red Team, who were our Nursery Sports Day winners!*

On Wednesday, our Nursery and Reception children came together to enjoy a delicious ice cream as a special treat to celebrate all of their hard work during Sports Day. It was a lovely opportunity for everyone to celebrate together.

In class, the children have also enjoyed meeting their new classmates who will be joining us in September. They showed such amazing care, kindness, and friendship, helping to make our new children feel welcome and excited to start their Nursery journey with us.

YEAR 1

A Busy Week of Learning in Year 1...

This week, the children have been busy developing their storytelling skills by continuing their **Traction Man retell**, focusing on the exciting problem and how it is solved. In Phonics, **we explored the 'ng' sound** while practising reading and writing simple words. **In Maths, the children began their new learning on money, discovering how different coins represent value**. During History, we learned about the remarkable **astronaut Tim Peake**, exploring his inspiring journey into space. It has been a fantastic week of writing, reading, maths and history, with plenty of enthusiasm and excellent learning throughout. We look forward to another week of year 1 learning ahead of us!

YEAR 3

Year 3 had a fantastic week filled with exciting learning experiences! On our farm trip with **Country Trust**, we saw cows grazing in the fields and learnt how farmers identify and count them using the yellow tags on their ears after Harun asked a great question around this that got us all thinking. We also became **mini nature detectives** by collecting and observing bugs, including dung beetles, and discovering what they eat. Musa and Ruya were especially thrilled to catch a grasshopper before we carefully released all the insects back into their natural habitat.

We also explored the **farmer's garden**, where we learnt about the different fruits and vegetables that are grown and discovered how compost helps plants to grow.

Another highlight of the week was our visit to Broadgate with **The National Literacy Trust**, where we enjoyed a wonderful storytelling session. The children loved choosing their own books to take home, making it a memorable experience that celebrated the joy of reading!

YEAR 4

This week, Year 4 joined Years 2, 3, and 5 on a trip as part of the **Young Readers Project**, ran by the **National Literacy Trust**. Throughout the day, the children took part in a range of **reading related activities** designed to inspire a **love of reading** and help them **develop their book-choosing skills**. Everyone was incredibly lucky to receive a free book of their choice, from an exciting selection of fiction and non-fiction titles to take home. The trip ended with a lovely packed lunch picnic. Thanks to the hot weather, we enjoyed our lunch in a cool, air-conditioned room- a treat for everyone!

YEAR 2

What a treat we had on Thursday when Year 2 joined three other MCB classes for **The National Literacy Trust's Young Readers Project final session**, held at 201 Bishopsgate. Not only were we in awe of the incredible glass and steel architecture, but the views from the 28th floor were stupendous, "I can see the school from here", declared Mahna, and Aiman was eager to discover London from all the different view points. Of all the picnics we have enjoyed on trips this year, this was certainly the highest. We were really fortunate to **hear two wonderful stories told by Alim Kamara who had us joining in with actions and repetitions involving some VERY spicy pepper soup and a determined donkey!** All the children were then able to **choose their own book to keep** from a beautiful selection - all provided by the National Literacy Trust. We finished the morning with our packed lunches, eating happily as we gazed across a steaming London. A huge thanks to Husna, our parent volunteer for joining us and to everyone who organised this magnificent day.

YEAR 5

On Thursday, our children enjoyed a fantastic day of activities organised by **The National Literacy Trust**. We learnt about intellectual property through the famous Colin the Caterpillar trademark case before meeting one of the host law firm's senior lawyers-a former Canon Barnett pupil! It was an inspiring moment that showed our children a glimpse of all the many things they too, can achieve in the future.

The morning ended with a wonderful **storytelling session**, and we all excitedly got to chose a free book to take home, **celebrating the joy of reading**.

In the afternoon, pupils from Henrietta Barnett Girls' School came to visit us and led an engaging workshop exploring Victorian artefacts. Their teachers were full of praise for our children, commenting on their enthusiasm, excellent behaviour and the way they represented our school so proudly.

As we approach the final week of term, *please return any school reading or library books still at home*. **A reminder that school finishes at 1.00 pm on Friday 17th July**. We look forward to a wonderful final week together!

YEAR 6

Farewell to Our Wonderful Year 6 Pupils!

Yesterday, we came together to celebrate the many achievements of our amazing Year 6 pupils as they prepare for the next chapter of their journey.

We looked back on so many wonderful memories, from their very first days in Reception to the exciting trips, special events, and all the learning and growth they have experienced along the way. It was a joy to celebrate every one of you and all that you have accomplished.

We are incredibly proud of you all and know that you will go on to achieve great things. Thank you for allowing us to be part of your primary school journey. Year 6, we wish you every success and happiness as you begin this exciting new adventure!

A heartfelt thank you also goes to all our Year 6 parents and carers for your continued support, encouragement, and partnership throughout the years. We are truly grateful for everything you have done and wish you and your families all the very best for the future.

UPCOMING EVENTS
