

Being Brilliant!

Dear families,

How have we reached the end of another wonderful year?! Today, our final Busy Beeeeing Brilliant Assembly captured just a few of the many special moments from across the year.

We asked the children to complete the sentence: "What has been brilliant for me this year is..." So many children stood up in assembly to share their brilliant moments. They spoke about learning to swim, our trip to the zoo, a friend helping them up after falling from a scooter, the Year 6 water fight, visiting the farm, making ice cream, and so many more precious memories.

I loved listening to every single story. Just as importantly, I stood proudly watching so many children confidently stand in front of the whole school and share their thoughts. Seeing their happiness, confidence and pride was a brilliant moment in itself.

Our Year 5 children then shared some of the wonderful comments from our recent Ofsted report. They read comment after comment celebrating our school, reminding us all of the caring, ambitious and inspiring community we are so proud to be part of.

Today's Reader's Chair was another highlight. Our Year 1 children took to the stage for the very first time to beautifully read Duck Chick to the whole school. It was a perfect final Reader's Chair of the year and a lovely reminder of just how far our youngest readers have come.

And we said goodbye to our amazing Year 6 children. At the end of assembly, the whole school turned to applaud them, celebrating everything they have achieved and wishing them well for the exciting journey ahead. Today marks the end of one chapter and the beginning of the next. I know that, in years to come, they will flick back through the chapters they have already written, remembering the special times, treasured memories and wonderful people who have helped shape them along the way. As they begin writing their next chapter, I hope they take a little piece of our school with them. I hope they continue to hear Ms Anita's voice reminding them to be respectful, be responsible and be ready to learn, to always try their very best, to be kind and to look after one another!

We also said farewell to our brilliant teacher, Ms Georgia, who begins an exciting new chapter in Leeds. We shared a lovely poem before sending her on her way with a huge round of applause and cheers. We thank her for everything she has given to our school and wish her every happiness in the future.

Finally, thank you to every member of our school community for your love, care and kindness throughout the year. It is these qualities that make our school such a special place. Have the most wonderful summer break. I look forward to welcoming everyone back next term, refreshed and ready for another year together.

I am going to miss the children so much!

Best Wishes, Ms Anita

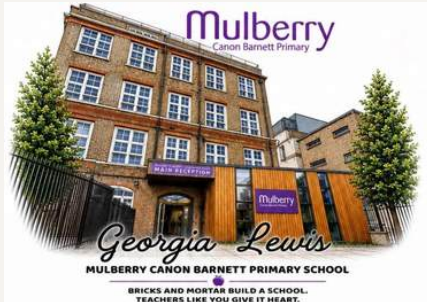

Reminder: School will re-open for children on Tuesday 2nd September 2026.
Please note that Monday 1st September 2026 is an INSET day, and the school will be closed to pupils.

Today we also bid farewell to Ms Georgia...

You'll always have a place with us, remembered year by year.

From Nursery, Ms Clare smiles and warmly says,
"You're artistic and vibrant," lighting up our days.
In Reception, Ms Salma always loved to see,
How cheerful and funny you could always be.

Year 1's Ms Brenna couldn't help but share,
"Your bright, warm smile and humour bring happiness everywhere."

Year 2's Ms Helen and Ms Sarah laughs with great delight,
"Your lunchtime stories had us laughing morning, noon, and night!"

Year 3's Ms Syeda proudly wants to say,
"You're artistic and cheerful in every single way."
From your own Year 4, we've been lucky every day,
To learn beside a teacher who inspired us on our way.

Year 5's Mr Peter says with heartfelt thought,
"You're caring and thoughtful"—a lesson that can't be taught.

Year 6's Ms Mireia smiles and wants you to know,
"You're a wonderful friend, always there to help us grow.
With support, a smile, and a joke at just the right time,
You've made our school days brighter in ways beyond rhyme."

And finally, Ms Nafesha says with pride for all to see,
"Ms Georgia is so incredibly creative"—just as everyone agrees you'll always be.

So as you head to Leeds, where family waits with open arms,
Take with you our gratitude, your laughter, and your charms.
