

NEWS

Latest news and information about our school

Dear families,

CELEBRATING OUR SCHOOL COMMUNITY!

This week, I want to take a little time to celebrate something that is really beginning to grow – our social media! Many of you may have already seen lots of the daily posts we are now sharing on our Instagram and Facebook channels...snapshots of awesome moments across the school. If you are not already following us, please do this weekend so you don't miss any of these lovely moments. They will make you smile that is for sure! Our Mulberry Canon Barnett social media platforms give us another opportunity to capture and share news about our school with you, our amazing families, and to prospective families too. Please do like and share our school posts to spread the news about our wonderful school across the local community.

It has been wonderful to welcome back Ms Haleema, our Parent Liaison Officer back to school. Ms Haleema is instrumental in driving our social media campaign. Please let us know if you would like to be involved too!

Here are a few of our recent social media posts...look out for all the new posts next week!

Have a lovely weekend everyone.

Best wishes, Ms Anita 1

CONNECT WITH US ON SOCIAL MEDIA!

Lots of posts daily...

Simply
scan
these QR
codes to
follow
us!

We'd love for all our families to follow us
and share our posts on Instagram and
Facebook! 📷

Following our social media pages is a lovely
way to stay connected and see what your
children have been getting up to at school!

SHARING OUR LOVE OF POETRY

Mulberry
Canon Barnett Primary

Poetry PERFORMANCE

Friday 11th September 2026

Year 5- Matilda by Hilaire Belloc

Year 1- A Dark, Dark Tale by Ruth Brown

Year 3- Please Mrs. Butler by Allan Ahlberg

Year 4- The Three Little Pigs by Roald Dahl

Year 6- Macavity by T.S. Elliot

Year 2- Alligator by Grace Nichols

RECEPTION

What a wonderful start to Reception! The children have been busy **learning our classroom routines** and settling into their new environment. They have loved **playing indoors and outdoors**, exploring the different areas and discovering all that our classroom has to offer.

We have been **learning all about friendship and what it means to be a kind, caring and supportive friend**. The children have been **talking about sharing, taking turns, helping others and working together**. It has been lovely to see them **beginning to make new friends, share ideas, play together and grow in confidence**.

In maths, the children have been exploring number songs and taking part in a variety of sorting activities. These experiences are helping to **develop their number recognition, counting skills and understanding of sorting and grouping**.

We are so excited to see what the rest of the year holds, with lots of wonderful learning, friendships and adventures still to come!

YEAR 5

This week in Maths, our children **developed their understanding of numbers up to 1 million, learning to read, write and count using both numerals and words**. We used **place value charts** to explore how numbers change when **adding or subtracting 10 and 100**, helping them deepen their understanding of place value.

In English, we began exploring **Shackleton's Journey**. The children completed a **Role on the Wall activity**, analysing **Shackleton's character and selecting appropriate synonyms to describe him**. They justified their choices using evidence from the text and used thoughtful reasoning.

In Science, we **investigated the properties of materials** and considered what makes an **effective cycling helmet**. The children explored different materials and their properties, discussing why certain materials are best suited for keeping cyclists safe.

YEAR 1

In English, we created a shared poem inspired by **The Owl and the Pussycat**. The children **explored repetition, adjectives and rhyming** words to develop our poem. Suleyman noticed that "pen" and "phlegm" rhyme! They added actions and practised performing it. We are excited to perform to Key Stage 2! I will share a video of this Give Me Ten next Thursday.

In Art, we explored **drawing tools and marks, including long, curvy and zigzag lines**. The children enjoyed smudging charcoal and pencil to create texture.

In Science, we explored how **day becomes night**. Using globes and torches, we learned how the **Earth rotates** and how parts face towards or away from the Sun.

Thank you to parents who attended Meet the Teacher. It was lovely to see you all and share more about our Year 1 journey. We look forward to a wonderful week together!

YEAR 3

We started our new English book and began **learning all about our planet**. We explored what is good and harmful for the environment, discovered what climate change is, and discussed the possible effects it can have on **humans, wildlife and habitats**. We worked with our partners to complete a sorting activity, where we **sorted different actions into the correct categories**: actions that can help our planet and actions that can harm it. We shared our ideas and explained our thinking to one another. We also shared some reasons behind our choices. One of Inaaya's ideas was, "We shouldn't litter because animals can eat it and it might hurt them." We discussed how **saving water, recycling, planting trees and using less plastic can all help to protect our planet and the animals that live on it**. It was fantastic to see the children thinking carefully about how our everyday choices can make a difference.

YEAR 4

What a wonderful week of learning we've had! We are now fully immersed in learning our poem **The Three Little Pigs**. The children are working so hard to memorise the words and are having lots of fun bringing the poem to life with actions. We are so impressed with their **enthusiasm and growing confidence!**

We have also begun our exciting new History topic: **The Ancient Egyptians**. This is always a firm favourite with the children, and they have already been fascinated by this incredible period of history. We can't wait to discover more together!

Well done, everyone, for another fantastic week of learning, exploring and having fun! 4

YEAR 2

It was an exciting trip to the **roof garden** with Year 2 this week as we **saw the fruits of gardening** that only appear at this time of year. Autumn is a season of harvest even here in the middle of London! As part of **investigating and exploring seasonal change** we were able to spot kudu, cucumbers, tomatoes and chillis all growing to an impressive size. We discussed **why the leaves are turning brown and found bean pods full of seeds that we plan to grow in class**. The children recalled how the **silver birch tree in EYFS** looks different through the year and we'll be looking to see when the green leaves start to change. What signs of autumn do you spot on the way to school? We look forward to hearing all about them.

NURSERY

What a brilliant week we have had in Nursery! The children have settled in wonderfully and are becoming more confident as they explore everything Nursery has to offer.

Nursery children have enjoyed **staying for lunchtime, developing their independence and trying a variety of foods—including broccoli!**

By the end of this week, nursery children are staying for the full school day and **enthusiastically exploring, creating, singing and playing**.

It has been lovely to see new friendships beginning to form, both with Nursery friends and the Reception children during **free-flow time**. 🌈

We couldn't be prouder of how far the children have come already and look forward to watching their confidence, friendships and learning continue to grow. 💕

YEAR 6

This week in Year 6, we began an exciting new book: **Rooftoppers by Katherine Rundell**.

To spark our curiosity and ignite our imaginations, we stepped into the world of the story by **venturing up onto our very own rooftop!** Just like the characters in the book, we took the opportunity to **explore from above, looking carefully at the rooftops, buildings and views around us**.

We thought about what we could see, hear and feel from this different perspective and considered how the setting might **inspire a story**. We used our observations, ideas and imaginations to **create our own pieces of descriptive writing, carefully choosing language** to bring our surroundings to life.

The experience encouraged us to look at the familiar world in a completely different way and helped us to understand how a setting can become an important part of a story.

It has been a fantastic way to begin our journey with Rooftoppers, and we are already looking forward to discovering more about the characters, their adventures and the mysteries that lie ahead!

What an exciting start to our new reading adventure!

UPCOMING EVENTS

- 14/9/26 - Curriculum Newsletters Shared with Families
- 15/9/26 - International Day of Democracy-Democracy Day at Mulberry Canon Barnett
- 15/9/26 - Mulberry Mini Explorers first meeting this year!

What's for Breakfast?

We offer free breakfast club for all children which is funded by Magic Breakfast.

Children can come into school from 8am to 8:30am (last entry is 8.30am) to enjoy a healthy breakfast and play some games with their friends.

If you have any queries, please contact our team at the school office.

STAY CONNECTED

Follow us on our social channels...

Stay Connected with Mulberry Canon Barnett Primary on social media

We are excited to share more about school life at Mulberry Canon Barnett Primary and invite you to join our online community. To keep up with the latest news, events and achievements of our wonderful students, please follow us on our social media channels:
